Company Profile

Seow Khim Polythelene Co Pte Ltd. (SKP) was founded in January 1979 and incorporated during the year 1994. Today, we are the largest manufacturer of polypropylene (PP) disposable products in Singapore, with a strong clientele including established restaurants, food courts and supermarkets nationwide.

Our PP products are fully manufactured in Singapore from 100% food grade virgin PP. These PP products are microwaveable, recyclable, BPA-Free and CFC-Free. Our products are in compliance with Singapore AVA (Agri-Food & Veterinary Authority of Singapore), US FDA and European Standard.

Led by a strong management team dedicated to ensure the consistent quality and continued innovation of our products, we are conscious of and sensitive to market trends and demands. With the trust and support from valued partners and customers over the years, SKP has established a sound reputation as a trusted brand within the industry, exporting to over 40 countries, spanning across 4 continents, including the USA and the UK.
